

ARTCO-BELL 1200 SERIES ACTIVITY TABLES

Available in 27 different shapes and sizes

Artco-Bell activity and general purpose tables are available in a wide variety of shapes and sizes. Shapes range from square or rectangular, half round and round to kidney, horseshoe, and trapezoid. Leg styles come in four varieties and are height adjustable, frames are powder coated and chrome plated. With so many different sizes available you can fit the right amount of people with the right sized table. As an extra touch of quality, we spot nail our T-mold edge banding to help keep it in place for years of trouble-free usage. All tables are 22" - 29" adjustable height.

1200 SERIES ACTIVITY TABLES

Factory-installed stretcher bars are standard on all tables 60" and larger in length.
