# PALMER HAMILTON MOBILE FOLDING TABLES WITH BENCHES

## All Mobile Bench Tables Are Not Created Equal.

Only Palmer Hamilton tables feature “spring assisted lift” for smooth, controlled setup and patented Double Guard™ anti-tipping protection.

**DOUBLEGUARD LOCK**  
Patented Double Guard™ protects against tipping while the table is being moved.

**COMPACT STORAGE**  
Six tables require less than a 5' x 8' footprint. Each additional table adds 11" to the nested depth. **INDUSTRY LEADER!**

34M10291508	96"	29"	8	34"	\$1,114.00

Optional chrome plated feet available

A. Row-on-row benches. Arranged row-on-row, these units can convert an infrequently-used room to a useful auditorium with large-capacity seating.

34M10291508

B. Row-on-row tables. These units become convenient cafeteria tables with students sitting on the bench of one table, and eating from top of next table, without awkward brace-straddling.

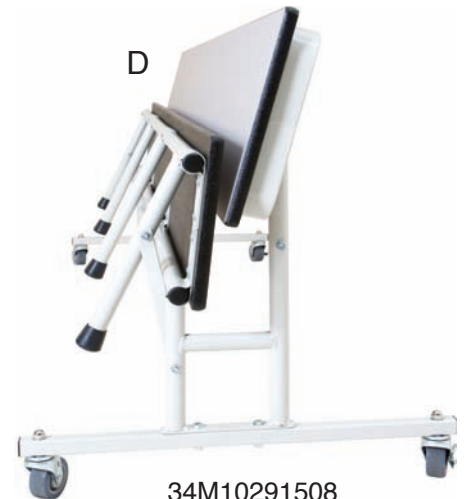

34M10291508

C. Back-to-back. Two tables placed back-to-back become a standard-sized table for dining, study, and meetings.

34M10291508

34M10291508

D. Benches store in only 11 inches of square space., center-to-center.

34M10291508

# PALMER HAMILTON WALL MOUNTED TABLES & BENCHES

## FEATURES & BENEFITS

### Multiple Locking Systems:

Incorporate 5 separate locking points, the greatest number in the industry

**Track-Lock** provides a one step release from the wall pocket and convenient, secure return.

**Intermediate Track-Lock** automatically secures table and benches in pockets during storage.

**Z-Lock** automatically captures table and benches, aligning and securing table and benches to the top of the pocket.

**Bottom Safety Catch** latches outer table and benches with inner table and bench leaf.

**Keyed Mullion Locks** secure outer tables and benches in storage position from unauthorized use.

**Smooth Tops:** Surfaces of tables and benches are free of lock holes". Sanitary and tamper resistant tables and benches.

**Lift Assist System** with compression springs provides smooth, controlled operation. The easiest lifting system on the market.

**Center Legs** with cushioned rubber feet provide additional load-bearing capacity. Holds up to the rigors of today's school environment.

**Center Latches** on benches and tables are accessible from either side of the table. Less walking around, more convenient.

Here is the ideal space-saving answer for multi-purpose rooms. Wall pocket systems provide plenty of seating with tables and benches, and then easy, space saving storage in the wall leaving the entire room free for other activities. Added safety, ease-of-operation and easy cleaning have been designed into these versatile wall-mounted tables and benches. Our automatic "down-lock" feature prevents table from rising when someone sits on the end. These tables and benches are counter-balanced and equipped with compression springs to prevent slamming to the floor and assist in easy lifting for returning into the wall-pocket. There are no lock holes on the table or bench surfaces, so surfaces stay clean. Wall pockets can be mounted on or in the wall featuring 16-gauge, fully enclosed steel construction for strength and streamlined appearance. For tamper-proof storage, the wall pocket can be equipped with locks and master keys. They also have our patented Track-lock system, designed to lock both tables and benches securely into the channel of their wall-mounted pockets.
