

# FLOOR SAVERS

## Q-BALL GLIDES

The Q-Ball chair glide consists of a latex-free, non-marring PVC, which is placed on the chair leg in place of a traditional chair glide. Available in two sizes to accommodate various chair leg tubing: 1" and 1 1/8". Available in GRAY PVC only and has a limited lifetime warranty.

<u>MODEL</u>	<u>SIZE</u>	<u>QUANTITY</u>	<u>PRICE</u>
Q-42	1"	set of 4	\$6.00
Q-44STAR	1 1/8"	set of 4	\$6.00

## FLOORBUDDY with FELT SNAP INSERT

No tools needed! Install an entire classroom of furniture in only 1/2 hour. Evolved from the patented Q-Ball design and material, works great on all flooring, including traditional tile, VCT flooring, terrazzo, wood and carpet

SGF77	1"	set of 4	\$8.00
SGF79	1 1/8"	set of 4	\$8.00

## SNAP-N-LOC GLIDE CAP WITH SUPERFELT

The cap has two halves connected by a hinge. The top half is slotted and slides over the original glide shaft. The bottom half contains the felt and hinges perfectly to contain the metal or nylon bottom of the glide. When you snap and lock the two halves together, the soft felt will eliminate noise from sliding chairs (teacher's love it!) and keep floors clean from scratching and marring. Impervious to water, oil and most chemicals. 100% guaranteed to work with your chairs.

**The SNAP-N-LOC Glides Cap will save you hundreds of man hours and many dollars in floor repair.**

## Slip-On® Floor Savers

protect hard floor surfaces from damage. This tough Slip-On® consists of a vinyl sleeve with a reinforced rounded felt bottom. Simply slide Slip-On® Floor Savers over chair and table legs to prevent floor damage and to reduce noise associated with moving furniture. They slip easily over round or square legs and stay put without adhesive. Slip-On® Floor Savers last at least four times longer than standard felt protective pads.
