D500 shown with optional casters

Smooth, radiused corners for classroom safety. The edge also features vinyl T-mold edge banding that is spot nailed in place.

Conveniently-hidden accessory shelf for a little extra storage space.

The exclusive frame tie bar ensures that this desk withstands movement and serves as a convenient foot rest.

An independently locking pedestal allows the option to have a CPU holder and keyboard tray or extra space for a mobile pedestal or other accessory.

Optional 3" casters provide convenient classroom mobility and come in very handy when it's time to clean the floors. Casters extend desk height up to 37" to accommodate wheelchair-assisted users.

Sturdy metal drawer pulls.

Adjustable height from 27"-36" for multiple-user applications.
