SERIES 300 | TRIPLE BRACE
Features our unique full size, double contour back & waterfall seat. On each side there are TWO hinges attaching the seat to the legs, for added strength - this eliminates the possibility of the frame buckling under heavy/constant use. The frame is a heavy; with THREE 19 gauge 5/8" U-shaped cross braces, which make the chair durable & stable. This chair is the strongest chair you can get. Non-Marring Glides and V-shaped stability Plugs are color matched.

Color Availability: Beige, Grey, Brown, Blue, Black.

PRICE

\$34.00

SERIES 50 | STANDARD STEEL
Standard All-Steel folding chair features a 19 gauge 7/8" round tubular frame with 2-1/2" frame strengthener on each side of seat; two 19 gauge 5/8" U-shaped double riveted cross braces. Seat is 16" x 16" with a waterfall front for added comfort. The back features a single contour, with curled safety edges and is electro-magnetically welded to the frame. Color coordinated V-tip Plugs for added stability. Color Availability: Beige, Grey, Blue, Black.

PRICE

\$30.00

Tube formed, molded plastic tips helps ensure positive back alignment and eliminate racking. Double hinge link straps on 300 & 1200 series for added strength.

HUSSEY/CLARIN SEATING

Clarín is dedicated to engineering seating products that last. Schools select our comfortable portable chairs for locations like gymnasiums, classrooms, locker rooms, bleachers, theaters or for special events.
