

DRAPER WALL CEILING/PROJECTION SCREENS

All Draper manually operated projection screens are carefully assembled and fully tested before packaging to make sure they operate perfectly.

V Screen

V Screen-The Screen with the Five Year Warranty

All Draper V Screens are warranted against defects in materials and/or workmanship for Five (5) years from date of shipment from company. Extreme simplicity of design, durable components and tearproof fiberglass matte white viewing surface make the Draper V Screen the longest lasting classroom wall screen, at a very reasonable price. Patented design eliminates friction between viewing surface and metal parts. Installs easily to wall, map rail, or ceiling.
