DIVERSIFIED SCIENCE FURNITURE

FORWARD VISION 4 STUDENT WORKSTATION

The unique layout of this workstation allows the instructor to see the students, fixtures and storage areas from the

front of the classroom. While typical 4 student workstations have half of the students back and storage areas out of view of the instructor, this unparalleled workstation allows optimum visibility. The students all work from the same side of the workstation, while the storage is on the opposite side. The solid epoxy top withstands extreme chemicals and heat.

Overall dimensions: 96"W x 50"D x 36"H
