

Simple, Straight Forward Ergonomics and Functionality

Standard Features

Die Cast Aluminum Base

Integrated Seat Slider

75mm HD Casters

Waterfall Front Seat Edge

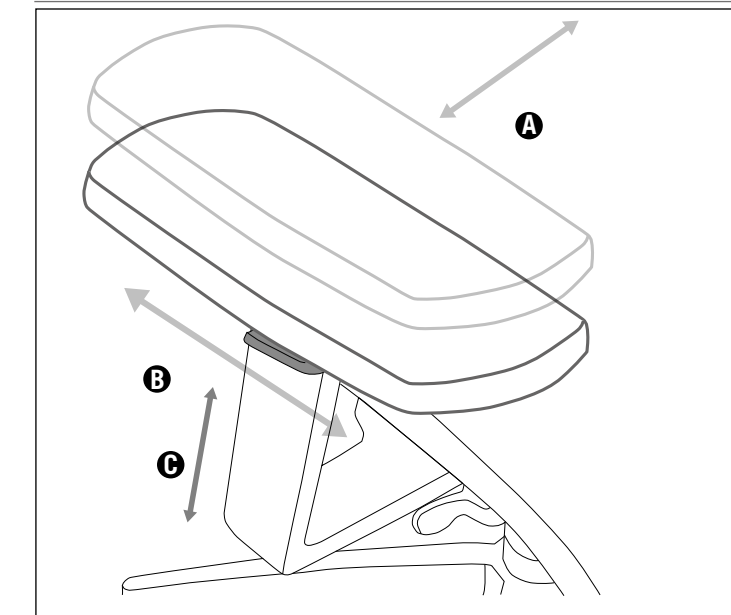

Adjustable Headrest

Standard on Vesta Models 3080 & 3085.

Vesta's three way adjustable headrest is upholstered in mesh matching the back of the chair. Adjustments include height, depth and rotational pivot.

A30 Arm Adjustment

- A** *Width Adjustment*
Activate rear interior button to shift pad inward or outward. Allows adjustment to accommodate users of different size and stature.
- B** *Forward Depth Adjustment*
Activate forward interior button to move pad forward or backward. Allows adjustment to minimize contact with work surfaces.
- C** *Height Adjustment*
Lever located at outer side of pad activated by pulling up with fingertips and moving freely to appropriate height.

Control Functions

X1

Advanced Synchro Tilt - 4 paddle

- A** *Pneumatic Lift*
Seat height adjustment
- B** *Tilt Tension Control Lever*
Adjust for firm or soft recline
- C** *Back Angle Adjustment Lever*
Adjusts back angle for individual user. Choose from thirteen locking positions or free float
- D** *Forward Tilt Adjustment*
Adjust seat angle independent of back. Forward tilt offers ergonomically correct tasking posture
- E** *Integrated Seat Slider*
Adjust seat depth in 2.5" range to accommodate individual user

Features

- Vesta's ergonomic design fits well in all managerial and executive applications.
- High quality woven mesh on both seat and back molds to every user's body providing tailored support.
- Models 3065 & 3085 feature high resilient molded foam seat upholstered in fabric or leather.
- Available with A30 four way adjustable arms which offer highest degree of ergonomic adjustment. Arms are height adjustable. The A30 pads swivel, pivot forward & rearward and shift inward or outward for width adjustment. A29 & A29 pads feature only height adjustment
- High-back models 3080 & 3085 feature a three way adjustable headrest which rotates up or down and provides height & depth adjustment.
- Vesta's integrated seat slider is a standard feature and provides 2.5" of seat depth adjustment. The side mounted location provides the user easy access to the activation lever.
- Synchro tilt control features a 2:1 back to seat tilt ratio. Control features thirteen position multi-lock with built in safety lock return. Also provides reduced rise of front seat edge when reclining.
- Waterfall seat front promotes great circulation and good health.
- Choose from over 1,000 textiles offered by Momentum, Maharam, CF Stinson and 9 to 5 Signature®. In the rare case we don't have what you're looking for we'll upholster your chair in any fabric provided to us!
- Lifetime warranty on all structural and mechanical components. Mesh, fabric and foam are warranted against wear through and deterioration for five years.
- Quick Ship! Vesta ships in 48 hours in all mesh colors, grade A fabrics and a wide selection of leathers. Fabric grades B and higher ship in as few as five business days.
