BRATTICE® BLENDS STYLE WITH PURPOSE.

This long-standing base is one of the original *Versteel*® table lines. A timeless base design that has remained relevant with VERSTEEL state-of-the-art top and finish options, power and data, wire management and everyday accessories. With its combination of structural integrity and stunning aesthetics, Brattice is equally suited for a multipurpose environment, a specialized application or as a corporate centerpiece.

Real world tested and approved.

A VERSTEEL ORIGINAL.

AVAILABILITY

SPECIFY A BASE CONFIGURATION FROM THE BRATTICE LINE AND ESTABLISH INSTANT PEER CREDIBILITY AS A CONNOISSEUR OF CLASSIC LINES AND FUNCTION. REFER TO THE VERSTEEL PRICE LIST FOR TOP COMPATIBILITY. THE AMOUNT OF FEATURES AND OPTIONS FOR THE BRATTICE LINE IS STAGGERING. IN FACT, THERE ARE SO MANY THAT YOU'LL HAVE TO REVIEW THE VERSTEEL FEATURES BROCHURE FOR ALL THE DETAILS. SINCE WE'RE ADDING NEW FEATURES ALL THE TIME, BE SURE TO CHECK WWW.VERSTEEL.COM.

POWER & DATA Plug in. Proprietary Power & Data options can be specified for individual or linked tables, and for either temporary or permanent installations. Alternative power and data sources are available for additional options. **FOLDING & TILTING Make space.** Add folding and/or tilting options to create exceptional storage opportunities and easier movement. Patented mechanisms are a snap to use and always stable. **LINKING Stay connected.** Configure tables for any agenda with a variety of linking options. And it's quick and easy to reconfigure for the next task or meeting. **FINISHES & MATERIALS Unparalleled choices.** An extraordinary standards program, custom finishes and new materials give you more choices for every specification. **MOBILITY Move around.** Tables become more convenient and versatile when you add the option of motion through casters. Casters do not change the height of a table, only its ability to adapt more readily to its environment.
