### Cinturón™ Task Seating

Cinturón offers a line of task seating that is as ergonomic as it is visually appealing. The overall elegance, attention to detail and unique stitching make Cinturón task seating a smart choice for any corporate environment. Constructed for superior comfort and support, choose between a mid-back or high-back option.

Cinturón task seating is available with upholstered or laminated maple arms and a locking knee tilt with pneumatic lift. Whether you select a leather or fabric of your own or one of KI's or Pallas® Textiles many graded upholstery choices, Cinturón task seating provides comfortable, stylish seating.
