

SwirlTM

Features

- The great looking, extremely versatile Swirl chair is available in two styles, Swirl stackable, with or without arms, and Swirl sled base.
- Swirl is quite possibly the most well-constructed chair at its price point, yet it is incredibly lightweight. The armless stackable weighs in at a feathery 15 pounds.
- Forget about lead time, with Swirl it's a matter of speed time. Depending on the fabric you specify, your chair will ship either fast or faster. Choose from one of our stylish DesignTex, KnollTextiles, or Momentum fabrics and your chair will ship fast, in a swift five business days from the receipt of your order. Select from our exclusive Momentum fabrics and your chair will ship even faster, in an incredible two business days from the receipt of your order.
- The unique arm shape provides a mix of sleek design and unexpected comfort. Swirl is not only the perfect guest chair, it also works great in casual meeting environments, lecture halls and dining areas.
- Stack them high and watch them fly. Swirl stackable chairs stack up to six high and can be quickly whisked away with the optional stacking cart.
- Get them together and looking good with the optional ganging brackets, perfect for efficient floor planning and maintained alignment in lobby or common areas.

Ganging
Swirl gangs arm-to-arm or armless-to-armless.

Stacking
Swirl stacks three-high on the floor, six-high on a stacking cart.

Glide
Maintain a pristine floor using Swirl's optional non-marring glides.
