

# OnTask™

## Task Seating

streamlined design | simple function | extreme value

Furnishing Knowledge®

### Contemporary style

OnTask defines style with a clean, square-shouldered design. Featuring straight lines with subtle contours, it presents a slender profile and a sleek, refined look.

### Four arm options:

Adjustable 360° Pivot Arm (JR30) - pivots 360 degrees, height adjusts 3", width adjusts 3"

Adjustable T-Arm (JR39) - height adjusts 3", width adjusts 3"

Fixed Loop Arm (KR48) - fixed height and width

Adjustable Loop Arm (KR72) - height adjust 2.5", width adjust 2"

### OnTask™ Task Chair

When a simple, effective, and attractive task chair is the goal, OnTask is the solution. It combines contemporary style with simple, essential functions at a modest price. OnTask helps keep users on task.

### Streamlined design

OnTask's linear visual and slender profile blend discreetly into any environment.

### Simple function

Keep-It-Simple is the mantra for OnTask. Essential features are easy to use: seat and back height adjustment, arms that adjust for both height and width, free-floating back with tilt tension adjustment, and a thick, supportive seat. The result is a simple task chair that puts comfort within reach for all.

### Extreme value

By offering only essential features, OnTask provides comfort at an amazingly low price. Yet, it is sturdily constructed for reliable, long-lasting performance.
