VELA® COMBINES STRENGTH AND VERSATILITY WITH REFINED STYLE.

Vela table bases from *Versteel*® unite a sleek, smart design with features you need for a working table. Training, conference and utility configurations are available in numerous base styles, top shapes and sizes. The powder coated mesh wire manager and single wheel locking caster are unique to Vela. Offered in fixed, folding, tilting, linking and adjustable height variations with all the VERSTEEL features and options you know and trust.

Vela is more than just a pretty base.

**A FUSION OF ARTISTRY AND DESIGN.**

AVAILABILITY

AN IMPRESSIVE SELECTION OF BASE STYLES IS AVAILABLE WITH AN UNPRECEDENTED OFFERING OF TOP SHAPES AND SIZES. REFER TO THE VERSTEEL PRICE LIST FOR COMPLETE SPECIFICATIONS AND AVAILABILITY, BUT BE SURE TO CHECK [WWW.VERSTEEL.COM](http://WWW.VERSTEEL.COM) BECAUSE WE'RE ADDING NEW FEATURES ALL THE TIME.

**POWER & DATA** Accommodating the future. Proprietary Power & Data options can be specified for individual or linked tables, and for either temporary or permanent installations. There is an individual option for every type of application. **FOLDING & TILTING** Creating maximum flexibility. Patented mechanisms provide stability and ease of use. These features make for unparalleled storage and movement when paired with mobility options. **LINKING** Keeping tables together. Specify table link to create quick and easy reconfigurations that allow tables to gang and work together. **FINISHES & MATERIALS** Specifying the table you need. An unsurpassed standards program with available custom finishes combines to give you the look you desire. **MOBILITY** Rolling is easier than lifting. Convenience, versatility and reconfigurability are a few of the benefits of a table with casters. Casters do not change the height of a table, only its ability to adapt more readily to its environment.
