Versatile Harmony.

With versatile storage that keeps everything at hand, the built up and modular components of Canvas are cohesively designed in complementary shapes, heights, and sizes. Chassis and laminate tops can be mixed or matched from a range of colors. Minimal visual interruptions across the desks, storage units and credenzas create a harmonious, uncluttered environment.

Canvas: Khaki Brown (KB) chassis laminate, Zanzibar (ZB) top laminate with Aluminum Quadra (AQD) pull and Duo (G)rim profile. Tackboard Fabric: Maharam Offset 001 Passage. **Seating:** Clutch Swivel with Ultrafabrics Brisa, French Vanilla.

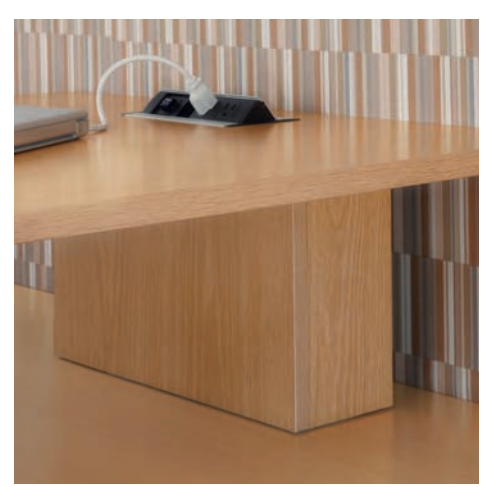

Dynamic Personality.

Multi-level surfaces add visual excitement, enable smooth workflow and allow individual expression. Low credenzas also encourage team collaboration. Upper storage units feature standard and sliding door options and used in conjunction with modular and low height storage achieves varying vertical heights of 58", 70", and 82".

Canvas: New Age Oak (OK) chassis & top laminate with Aluminum Beam pull (ABM) and square rim profile (Y). White (WH) upper storage. Tackboard Fabric: Maharam Offset 001 Passage. **Seating:** Clutch Swivel with Ultrafabrics Brisa, French Vanilla.

Accommodates technology seamlessly. Power and data route through "U" supports for easy access to data ports.

Impressive Flexibility.

Incredibly good looking and exceptionally durable, Canvas supports a wide variety of applications, budgets and styles. With extensive configuration options in a generous choice of materials, finishes and pulls, it suits every dimension of corporate need, from executive offices and private spaces to open environments.

Canvas: Studio Teak (TK) chassis & top laminate with Groove Aluminum pull (AGR) and square rim profile (Y). Tackboard Fabric: Maharam Fasten 001 Canvas. **Seating:** Clutch Swivel with Ultrafabrics Brisa, French Vanilla.

Human Appeal.

The light scaling, clean horizontal planes and consistent dimensions of Canvas components create comfortable, appealing atmospheres. Designed around human dimensions, its elements feature built-in convenience, including storage components easily accessible from seated or standing positions.

A functional "H" leg panel with an optional insert panel enhances the clean aesthetic.

Adaptable Style.

Simple, contemporary styling makes Canvas appropriate for all types of applications. A broad range of storage components integrate seamlessly, including multiple door options in laminate, laminate framed and silver framed acrylic. Freestanding wardrobes provide storage for business or personal items. Modular components are offered in six-inch increments for easy reconfigurability. Curved corner units, cockpit desks, and a bow shaped cockpit desk are available as standard.

Canvas: Xanadu (XU) chassis & top laminate with Elite Aluminum pull (AEL) and square rim profile (Y). **Seating:** Clutch Swivel with Ultrafabrics Brisa, French Vanilla.

Pleasing Views.

Cabinets mounted at various heights encourage working in alternative positions. Abundant surface space enhances workflow; a power and data module makes access to technology easy. Low credenzas with cushion tops invite impromptu interaction. Sliding door storage provides fingertip access to important items. An H-leg end panel, with or without an insert, keeps the aesthetic clean.
