## 7SD Series 3-Leg Tri-Top

### Tri-Top

Innovative non-handed design allows student desks to be easily arranged for individual and collaborative work. A simple turn of the desk provides support to right- or left-handed students.

### Work Surface

28" x 28" x 36" top is available in 3/4" MDF core with high pressure laminate and a flat clear or permatuff edge. Also available in a 9/16" solid plastic.

### Accessories

To handle your storage needs, equip with a back pack hook or one of the following book box options:

- > Poly Translucent
- > Wire Frame
- > Perforated Metal
- > Full Metal

### 18-gauge Cross Brace

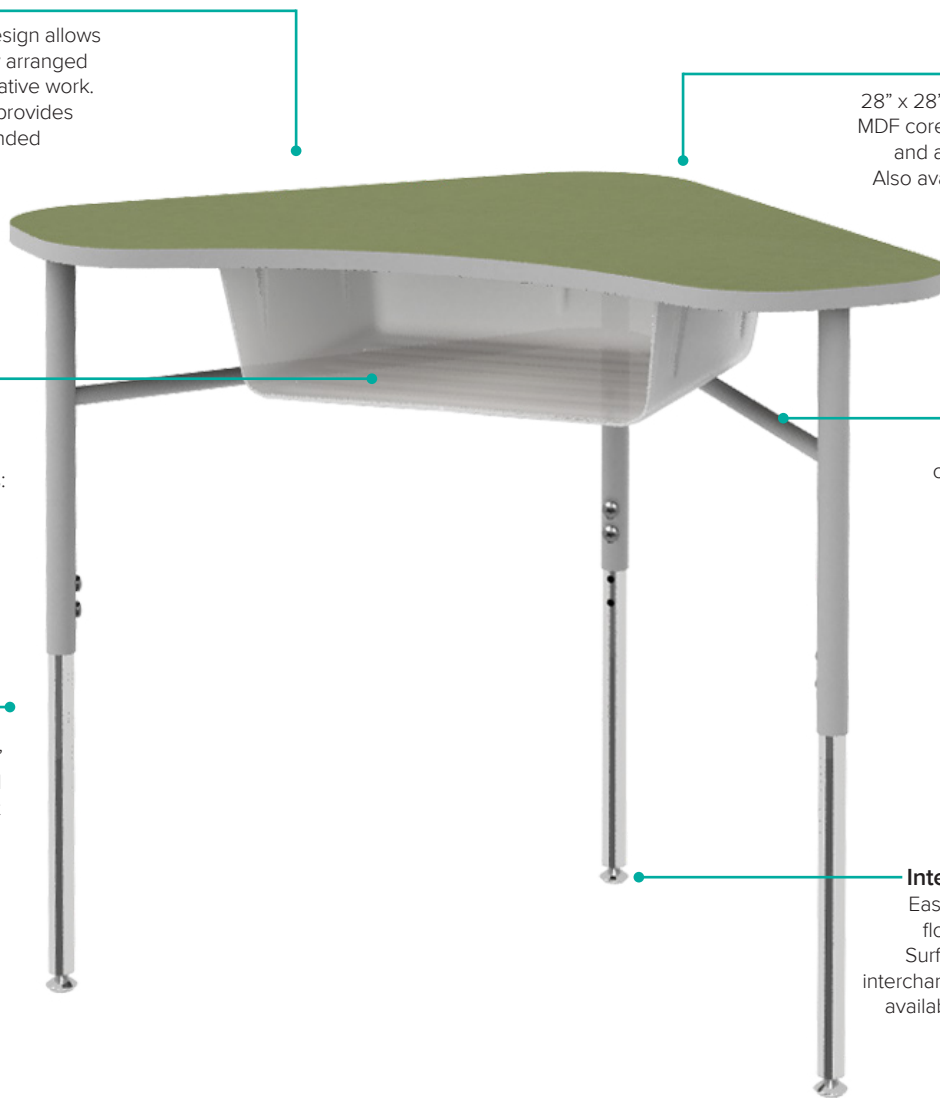

Standard with a fully welded cross-brace and powder-coat painted frame for strength and durability

### Legs

Available with three leg options including 22" – 30" height adjustable, 36" fixed height and 42" fixed height for standing applications.

### Interchangeable Glide Caps

Easily accommodate a variety of flooring surfaces with standard Surface Saver glides that feature interchangeable glide caps. Caps are available in steel, felt, non-skid and full-surface nylon options.

## 7SD Series

3-leg tri-top student desks

### Artcobell 7SD Series Tri-Top Student Desks

Artcobell quality and performance in a full line of student study desks with a focus on traditional clean design and durability. Uniflex has reliably supported over three generations of students.

### Designed for Lasting Performance

Standard features such as heavy-duty top brackets, 18-gauge welded cross-brace and optional Permatuff edges will provide years of reliable service.

### Breadth of Offering

Innovative design is adaptable to a variety of classroom layouts for individual and collaborative use. Adjustable and fixed leg options also easily accommodate stand-up applications in classroom or informal collaborative areas. The Tri-top is part of a full line that also includes rectangular and trapezoid top shapes.

### Personalize

A wide selection of accessories are available including book boxes and back pack hooks to meet your specific storage needs. In addition, the standard surface saver glides feature interchangeable glide caps that can be easily changed to work with variety of flooring types. Select from nylon, steel, felt and non-skid glide caps.

### Warranty

All Uniflex 7SD Series Tri-Top Student Desks are covered by Artcobell's industry leading limited LIFETIME warranty so you can be assured of the highest level of quality and service.

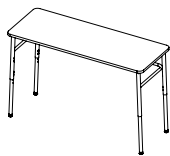

### Product Line Overview

The Uniflex 7SD Series is available in both Tri-top models and four-leg rectangular and trapezoid shapes\* to meet a variety of classroom applications and teaching styles.
