BOUNDARIES**

**DISCOVER THE CHAIR THAT  
REINVENTED STUDENT SEATING**

Comfort with a balance of flex and support for a range of movement and seating positions

**Built for Every Body**

Four leg chairs are available in seat heights of 12", 14", 16" and 18". Cantilever chairs are available in 14", 16" and 18". A variety of glides accommodates any flooring surface

## Flexible Comfort

Your behind will thank you!  
The flexible polypropylene shell provides both support and flexibility for better circulation and comfortable sitting, even for long periods

### Stackability

Heavy-duty seat brackets are designed for durability, and an engineered nesting scallop lets you stack 'em up high

### Mobile Friendly

Add 50mm casters for easy mobility!

### Perfect Alignment

Our most popular style - cantilever - gives students a little extra bounce
