Features

- Cortina raises the bar in ergonomic executive and conference seating with a design inspired by the human body. Cortina's back incorporates subtle curves and transitions from the upper to lower back which offers outstanding support and comfort.
- Ergonomic functionality should not be complicated. Cortina's designed to allow the most simple & intuitive controls to provide maximum ergonomic support and comfort.
- Offered with swivel-tilt control for conference applications and choice of synchro-tilt or multi-function control for executive task applications. These simple and intuitive controls provide easy to use ergonomic support & comfort
- Cortina may be ordered armless, with fixed A19 polished aluminum arm with plastic cap, A16 poly cantilever arm, or with A6 & A7 arms offering a swivel pad and adjustable arm pad position - slides forward and back.
- Choose from eleven different colors of leather or thousands of different fabrics. Textile programs offered with Momentum, Maharam, and 9 to 5 *Signature*®.
- Cortina's carefully molded seat and back provide continuous support eliminating pressure points.
- Polished Aluminum BA19 high profile base with matching polished aluminum accented casters standard on Cortina. BA10 poly base also available.
- Lifetime warranty on all structural and mechanical components.
- Quick Ship! Cortina ships in 48 hours!
