High Technology Can
Look Attractive and
Sit Luxuriously

Elegant & Plush

Fortune is a plush yet ergonomic executive chair. Quite simply, a choice for professionals who desire a chair of elegant style that also offers ultimate sitting pleasure.

Engineered in United Chair's precision manufacturing facilities to exact standards, Fortune offers a full range of sitting adjustments and offers built-in adjustable lumbar support.

Fortune can be upholstered in different colors of leather and vinyl, or a special leather/vinyl combination. And with the opportunity to combine black vinyl and leather for the seat and backrest cushions, you can create a look specific to your needs.
