Saggio™ is a significant achievement in chair design. The result of years of evolutionary craftsmanship and design expertise.

Saggio™ is the epitome of performance and style.

SA13 - MNE Nero & Maharam Milestone ML059 Tendril

Designer Paolo Favaretto has created an individual-centric chair designed exclusively to suit the needs and tastes of each user. Three state-of-the-art mesh or upholstery back options provide for unique styling choices. Saggio™ is available with a sleek waterfall seat design or with an extra-thick seat cushion for accrued comfort.

SA13 - MPA Panna & Maharam Medium MD007 Espresso

The synchro-mechanism, lumbar support, and adjustment features can be tailored to fit the body to provide superior ergonomic seating comfort. Individual modifications can be made simply and intuitively. A highly efficient chair in structure and performance, Saggio™ inspires users with both comfort and energy – making it the perfect support for today's fast-paced office space.

PROFILE

- / Management seating in soft mesh/fabric and all fabric variations
- / Dual upholstery combination available
- / Fully integrated lumbar support provides great comfort
- / Synchronous-tilt mechanism for noticeable smoothness in movement
- / Standard seat sliding mechanism provides additional seat depth
- / Optional synchronous tilt mechanism with forward seat pitch adjustment

- / Easy-to-reach push-button allows adjustment of backrest height
- / 4-position tilt lock for variable backrest adjustment
- / Standard with or without fixed arms and a variety of intuitive arm options
- / Sleek waterfall seat design reduces pressure on thighs
- / Pneumatic seat height adjustment
- / Choice of two seat thicknesses 1.7" (43 mm) and 2.7" (69 mm)
