+ Enclave Linx

Enclave Linx provides functional modular seating solutions which allow you to customize your seating areas to your specific needs. Create runs of seating in just about any shape or layout. From straight runs to serpentine shapes. If you imagine a circle, there are pieces to create seating facing inward toward the circle and there are pieces facing outward from the circle. Round corner units and square corner units allow multiple options for seating in corner areas of space. The eight different shapes and sizes along with an ottoman include brushed chrome legs, optional arm ends and matching tables with laminate and veneer top. Ganging devices on each piece allow pieces to be connected or separated at any time.
