ESSENCE®

# ESSENCE

The Essence collection introduces purity in salient shape and geometric form. Designed by Andrew Gower, this urbanized lounge collection features a slope arm upper surround accented by its unique open backrest. Available in a lounge chair, loveseat, sofa and bench, Essence is a welcome view in common and visitor areas. All pieces rest on exposed polished chrome legs and are available in both fabric and leather.

Shown in Edelman Leather Metallic Dream Cow, Milky Way MDC06.
