

VOLLEY™

One Chair. Unlimited Possibilities.

The depth and breadth of SitOnIt Seating's Volley collection delivers a full family of elegant, versatile seating options, ranging from medium density wire rod stackers to multi-purpose guest chairs to practical task chairs and stools. Add options such as casters, arms, upholstered seat and back, and Volley's supreme flexibility allows you to furnish an entire facility from within the same series.

Form Meets Flexibility

Volley's wire rod stacker offers the ultimate in flexibility and comfort. Easily stackable up to 12 high armless; 10 high with arms, Volley's stylish aesthetic belies its convenience. Opt for the tubular frame to provide unbeatable stability and a bolder profile. Available in 17 designer colors, mix and match with a full range of upholstery options, and customize from a compelling set of accessories like tablets and arms, to adapt Volley to virtually any corporate, training or classroom setting.

Sustainability

You can rest assured that every product SitOnIt Seating makes is GREENGUARD and GREENGUARD Children & Schools certified, providing you with the confidence you need and the environmental stewardship you've come to expect.

With its state-of-the-art flex back mechanism, Volley provides long-term comfort and ergonomic support.

Variety that combines fun and function at the office.

A full range of frames that include convenient and light-weight wire-rod frame, four-legged tubular frame and convenient task chair allow Volley to perform double-duty with amazing ease. Its practical and pleasing design allows the user to position for enhanced comfort while its perforated back allows ventilation, preventing heat build-up while adding to Volley's striking visual statement.
