## Reception Collection Series

Logiflex is once again evolving and is pleased to introduce a revolutionary Reception brochure concept never before seen in the industry. By regrouping all our existing Receptions Series and having added two new models to our collection, the Liber-T and the Spheric , we are now offering a complete design spectrum to suite your style and flair without compromising practical and functional detailing.

Our objective ? An easy way to see, an easy way to choose!

In the following pages you will be able to visually see large photographic images of all of our Reception Series , accompanied with them our most popular layouts that represents varies applications to facilitate your selection.

Faithful to our “ Logical – flexible “ philosophy Logiflex continues to offer a personalized signature in creating stations according to your personal needs and specifications.

Easy, Fast, Complete and without compromising Design and Functionality...  
**Voilà** our Reception Collection Series.
